SAY HELLO TO GWM

For 18 years, GWM has actively shaped the South African automotive industry.

Our unwavering commitment to excellence is evident in our world-class SUVs and bakkies, and we've taken a definitive leadership position, pioneering the way in New Energy Vehicle mobility for South African drivers.

As a major global automotive player with over 14.9 million vehicles sold in 170+ countries, GWM's vision is to lead global mobility through cutting-edge technology.

This global expertise fuels our deep commitment to South Africa, where we invest boldly in R&D for continuous innovation.

The new Haval H6 exemplifies purposeful innovation. It has been reimagined with refined design, enhanced performance, and intelligent upgrades that elevate every journey, moving you forward with confidence and style.

DESIGNED FOR THE MOMENTS THAT MATTER

From its bold front to its refined rear design, the new Haval H6 has been crafted with meticulous attention to detail. Whether navigating daily life or embarking on new adventures, it's an SUV designed to elevate every moment behind the wheel.

- 01** Make your mark from the moment you arrive with the H6's Signature Front Grille.
- 02** Light up the night the Haval H6 way with these high-end LED Taillights.
- 03** The perfect finish right down to the rims with the 19" Alloy Wheels.
- 04** Experience something more luxurious and relax into the Leather Accented Seats.
- 05** A luxurious cabin design, where comfort and class are standard.

Model-dependent features mentioned. Please consult the specifications section from page 28.

The Haval H6 PHEV delivers
over **1 000 km** of combined
driving range.

For the moments that move you.

FIND YOUR PERFECT **POWER**

Experience a smooth, responsive drive in the Haval H6, now featuring more powertrain options than ever.

By combining an advanced internal combustion engine with sophisticated hybrid technology, the H6 delivers the perfect blend of performance and efficiency.

Our HEV models are powered by a 1.5L turbocharged engine, while our PHEV models combine a 1.5L turbocharged engine with an electric motor featuring a 19.1 kWh battery capacity for optimal performance and efficiency.

At the forefront is the innovative Hi4 plug-in hybrid system, GWM's intelligent all-wheel-drive technology that seamlessly balances petrol and electric power to enhance traction and fuel economy.

For those preferring traditional power, the H6 remains available with a robust 2.0L turbocharged petrol engine.

Whether you prioritise advanced electric or classic performance, there is an H6 engineered to suit your lifestyle.

ENGINEERED FOR EVERY JOURNEY

The Haval H6 offers multiple driving modes designed to optimise performance, efficiency and control across different driving conditions.

Whether navigating city streets, cruising on the highway, or tackling more challenging terrain, the system intelligently adjusts throttle response, steering feel, and power delivery to provide a confident and refined driving experience.

Model-dependent features mentioned. Please consult the specifications section from page 28.

REFINED INTELLIGENCE

The new Haval H6 is a tech-smart SUV, with PHEV models featuring the advanced GWM's Coffee OS, designed to deliver a seamless digital experience through intuitive connectivity, vehicle information, and integrated controls.

COMFORT, CONVENIENCE
AND CLASS IN ONE TRULY
DISTINGUISHED SUV

Model-dependent features mentioned. Please consult the specifications section from page 28.

WHERE INTUITION MEETS **EVERY DETAIL**

Model-dependent features mentioned. Please consult the specifications section from page 28.

- 01 Enjoy effortless access with the convenient Electric Tailgate, complete with intelligent Memory Function.
- 02 The 6-way Electric Adjustable Driver Seat tailored to your drive, every time.
- 03 8-Speaker Audio System delivering a richer, more immersive sound experience.
- 04 With Voice Command, take control of the road with just your voice.
- 05 A sleek, Column-Mounted Design replaces the rotary gear shifter, freeing up space and enhancing control.

Model-dependent features mentioned. Please consult the specifications section from page 28.

INSPIRATION ON DISPLAY

- 06 Get the full view with the 10.25" Colour Instrument Cluster.
- 07 Touch, swipe, go – it's all at your fingertips with the 14.6" Colour Multi-Point Touchscreen.
- 08 With the Head-Up Display, you get all the essential info. No distractions. Just driving.
- 09 Freedom and function with Wireless Android Auto & Apple CarPlay®.
